The latest manufacturing methods, fresh design perspective and highest quality materials are combined in

the Vega Imagination Range

- a selection of stylish, contemporary door models, characterised by clean, modern lines and quality wood veneers.

These doors offer real visual enhancement to light, airy, modern living spaces while at the same time bringing to your home a subtle sense of warmth and sophistication.

standard door sizes ex stock	6'6" x 2'0"	1981 x 610 x 40mm
	6'6" x 2'2"	1981 x 660 x 40mm
	6'6" x 2'4"	1981 x 711 x 40mm
	6'6" x 2'6"	1981 x 762 x 40mm
	6'8" x 2'8"	2032 x 813 x 40mm
	6'8" x 2'10"	2032 x 864 x 40mm

All doors shown in this brochure are standard stock items and come finished in a factory applied high quality lacquer.

Off standard sizes, other veneers & fire rated versions are available to order. Architraves are sold separately. Glass as shown is not included. Internal use only.

Rebating to double doors is **not** recommended. Decorative door stops are available and recommended for use with double doors.
